User Stories for Release:

Sprint 1:

(5) **User Story 1:** As a student, I want a fast and efficient login process because I am constantly short on time.

(5) **User Story 2:** As a student, I want a to be able to create a profile for tutoring services because I want to be able to list my tutoring abilities as well as my tutoring needs.

(8) **User Story 3:** As a student, I want to be able to browse listings or profiles.

Sprint 2:

(8) **User Story 1:** As a student, I would like the option to upload an image of myself to my posting or profile so that others know who I am if they see me around campus.

(8) **User Story 2:** As a student, I would like a messaging service to be available to me so that I can communicate with other users on the site.

Sprint 3:

(13) **User Story 1:** As a student, I would appreciate a rating system for each profile so that I can make an educated decision regarding whom I exchange information with.
